DICK'S VISIT TO KENLEY AIR STATION (1940)

From: LONDON

To: MOSCOW

No: 915

20th Aug. 40

To JOHN [DEBOW][1].

On 18th August the SAUSAGE-DEALERS [KOLBASNIKI][11] bombed KENLEY Aerodrome. I was there today. I could not get onto the aerodrome since all the roads are closed and guarded by soldiers. Soldiers and machine-gun nests are dispersed round the aerodrome in bushes and trenches [111]. Fuel tanks are concealed in bushes. Near the aerodrome there are bombed-out houses. A squadron of HURRICANES patrols in formation above the aerodrome the whole time in flights of three aircraft. Passers-by have their papers checked. There was no panic among the population during an alert.
